Oklahoma CNA Certification Checklist

☐ Complete a state-approved nurse aide training and competency program of at least 75 hours that uses a performance record/skills performance checklist

☐ Submit the Original Training Verification Form signed by the training program supervisor

☐ Complete a State-required criminal background check if the training and competency evaluation program was employer-based

☐ Pass both the written/oral exam provided in English and the skills exam provided at an Oklahoma State Department of Health-approved testing site and administered and evaluated by Prometric

☐ Be placed on the Oklahoma Nurse Aide Registry

☐ Optional: Pursue additional written certification exams for nurse aides through the Health Certification Project to be recognized as a specific type of CNA by Oklahoma, including:

- Long Term Care
- Home Health
- Developmentally Disabled Care
- Adult Day Care
- Residential Care
